

## Eagle String & Fretboard Cleaner

- Cleans & Conditions Fretboards (All Types, Rosewood, Maple, Ebony, etc.)
- Available with Lemon Oil & Without!
- Removes grime and returns your Fretboard to its original luster
- Keeps grime away by providing an invisible sealant against stains and moisture
- 4 oz. Bottle with Drop applicator top

**Step 1** — Take a lint-free cloth (I use Handkerchiefs) and place under the strings and over the fretboard as pic'd above.

**Step 2** — Apply a liberal amount of Eagle String & Fretboard Cleaner to the cloth..

**Step 3** — Pull the top portion of the cloth over so it covers the strings. Now work in the cleaner so the strings and fretboard are both well lubricated.

**Step 4** — Now move the cloth down and work the lubricant into the rest of the strings.

**Final Thoughts** — I recommend using lent-free Handkerchiefs. You can buy them on Amazon for cheap here. I use two Handkerchiefs — one to apply the cleaner and another to wipe the guitar down after application. **Warning, the Eagle String & Fretboard Cleaner is for external use only. Avoid contact with eyes and Keep away from Children.**
